

RACING PRO 4T SAE 0W/40

Fully synthetic, four-stroke special motor oil for superbikes and supersport motorbikes

Description

Fully synthetic high-performance engine oil for 4-stroke motorcycles. Specially developed for 4 cylinder engines of Superbike, Supersport machines. Reduces the coefficient of friction. Increases performance.

Product features

- fully synthetic
- developed and used by MOTOREX Racing Support
- tested and proven under the most extreme racing conditions
- exceptionally high shear strength and friction reduction
- optimal wear protection

Field of application

MOTOREX RACING PRO 4T 0W/40 MOTOR OIL is a fully synthetic motor oil tailored specifically to the latest generation of four-stroke motorbikes. Even under the toughest racing conditions it offers your engine the best protection possible. Thanks to its lubricating properties, RACING PRO 4T 0W/40 is the perfect motor oil for the high temperatures to which your motorbike is exposed.
