Legend Gear Leg Bag LA13

 ~ 0.25 h.

EASY      DIFFICULT

ENGLISH Thank you for choosing this premium product from SW-MOTECH. Visit our online shop for more information (e.g. model assignments). Required documents (e.g. national type approval) are available there for you to download.

Please read and understand all the instructions, safety information and warnings in these mounting instructions before mounting and using the product in order to avoid injury and damage. Keep these mounting instructions for reference.

This product was developed for vehicles in factory condition. Compatibility with original accessories or accessories from other manufacturers cannot be guaranteed.

These mounting instructions have been prepared to the best of our current knowledge. No legal claims relating to accuracy can be made. Errors and omissions excepted. We reserve the right to make technical and design changes. The copyright is held by SW-MOTECH.

SAFETY WARNING SYMBOL

 This warning symbol is used in these mounting instructions to warn of deadly dangers, injuries or other hazards. The words **DANGER**, **WARNING** or **CAUTION** are used as part of this warning symbol to convey important safety messages and information relating to the installation and use of this product. These words, together with the safety warning symbol, mean:

 **DANGER:** Indicates a hazardous situation which, if not avoided, will result in death or serious injury!

 **WARNING:** Indicates a hazardous situation which, if not avoided, may result in death or serious injury!

 **CAUTION:** Indicates a hazardous situation which, if not avoided, may result in minor or moderate injury!

 **NOTE:** Important information, but not relating to a risk of death or injury (property damage only)!

GENERAL INFORMATION

 **WARNING:** Assembly and/or maintenance of this product requires advanced technical skill, appropriate tools, and a good understanding of tool usage and torque specifications. For your own safety, SW-MOTECH recommends having the assembly and/or maintenance carried out by a qualified and certified motorcycle workshop.

 **WARNING:** If you do choose to assemble this product yourself, carefully and fully read the mounting instructions before assembly and use, and follow all instructions to avoid serious injury or death. Also observe all relevant information in the vehicle manual when mounting or using the product. IF YOU DO NOT UNDERSTAND ANY PART OF THESE MOUNTING INSTRUCTIONS OR NEED AN EXPLANATION AS TO A SPECIFIC INSTRUCTION, DO NOT ATTEMPT TO INSTALL THIS PRODUCT WITHOUT CONSULTING SW-MOTECH FOR ASSISTANCE!

PREPARATION: Read the mounting instructions carefully and make sure that all parts on the parts list are available.

 **CAUTION:** Ensure that your vehicle is standing securely. Switch off the engine and remove the ignition key. Allow the engine/exhaust to cool down if necessary. Disconnect the battery when working on the electrical system. Only use proper tools and always wear safety goggles and gloves during assembly and maintenance. Have a second person help you with assembly and maintenance.

ASSEMBLY: All parts and connections removed from the vehicle must be reinstalled according to the vehicle manufacturer's specifications or replaced with parts and hardware supplied by SW-MOTECH.

 **WARNING:** Secure all threads with a medium-strength liquid threadlocker, unless otherwise specified.

 **DANGER:** Tightening torques not defined by SW-MOTECH must be obtained from the vehicle manufacturer or a certified motorbike workshop.

FUNCTIONAL CHECK: After mounting the product, ensure that no moving parts are obstructed and that the function of the vehicle is not impeded. Cables and hoses must not rub against each other and/or be hindered in any way.

 **WARNING:** Carry out a comprehensive functionality check before you start to drive. Check the tightening torque of all connections and the tight fit of the product after the first 50 km and then at regular intervals. Mounted accessories can change the handling and stability of the vehicle.

PARTS LIST - READ AND KEEP MOUNTING INSTRUCTIONS!

1

BC.RID.00.401.20000

 1/1

MOUNTING STEP - READ AND KEEP MOUNTING INSTRUCTIONS!

Attach the leg bag (1) to your hip and thigh using the two straps.
Wrap the long strap around your hips. For additional support, the strap can be threaded through the belt loops. Hook the strap onto the upper loop of the leg bag (1); then pull the strap taut and secure the excess length of the strap using the two Velcro straps.

Wrap the short strap around your thigh. Hook the strap onto the lower loop of the leg bag (1); then pull the strap taut and secure the excess length of the strap using the Velcro straps.

⚠ WARNING: Ensure that any excess strap length is always securely fastened and that the leg bag (1) is positioned in such a way that it won't slip or slide!

2

LOADING

⚠ NOTE: The surface material of the leg bag (1) is water-resistant, but not completely waterproof. Protect sensitive luggage from moisture with a suitable rain cover (not included in delivery).

⚠ NOTE: Never store sharp-edged, pointed or similar objects that could cause personal injury or damage to the leg bag (1)!

⚠ WARNING: The maximum load capacity is 2 kg (4.4 lbs)!

CARE

Use ONLY a soft textile brush, cloth or sponge and warm soapy water for cleaning! Then rinse with clean water. Do NOT use any harsh cleaning agents, utensils or pressure washer! Be sure to clean the leg bag (1) after winter rides to prevent salt damage.

⚠ NOTE: Surface materials may be subject to colour changes (fading) as a result of prolonged and intense exposure to sunlight and environmental influences (e.g. smog, acid rain). SW-MOTECH assumes no liability for this.

PRODUCT-SPECIFIC NOTES

⚠ NOTE :Observe the country-specific regulations for the registration/operation of your vehicle and any applicable TÜV regulations. Have any parts requiring registration entered into your vehicle documents by your inspection centre after they have been installed.
